**Catalina Graphic Films Announces  
Purchase and Integration of  
Graphic Materials International**

Calabasas Hills, California (September 1, 2011) – Catalina Graphic Films is pleased to announce the purchase and integration of their sister company, Graphic Materials International (GMI) as of September 1.

Catalina is a manufacturer of adhesive coated films used in the Digital, Screen, and Offset printing industries. GMI is a master distributor of films used in the digital and computer cut graphics markets.

“In an increasingly competitive business environment and rapidly changing industry, we view this as a way to provide our customers the service, quality, price, and range of products needed in this market place” says Jeff Dworman, CEO of Catalina.

The Mojave Digital Media brand has been marketed by both companies for the last few years ([www.mojavedigitalmedia.com](http://www.mojavedigitalmedia.com)). The integration of the two companies will allow us to make our customers more competitive in the marketplace.

Catalina Graphic Films has warehouses in Las Vegas, Chicago, and Atlanta to service the industry nationwide.

Please contact Catalina at 1-800-333-3136 or visit [www.catalinagraphicfilms.com](http://www.catalinagraphicfilms.com)

**About Catalina Graphic Films**

Catalina Graphic Films is dedicated to being the premier custom coater of Pressure Sensitive materials for the Digital, Offset, Screen, Industrial and Specialty markets. After 30 years in business, the Company has built its reputation upon high quality products and service. Today, its products are used in a wide variety of niche applications printed by almost all disciplines including digital, screen, offset, flexo and gravure. Catalina continues to value relationships with only the highest quality suppliers to meet increased company and customer requirements. The Company continues to invest in equipment, technology and processes to provide customers with high value application solutions for an ever-changing market.
